Could you in turn provide me with the abstracts for the 3 INBIFO posters (so that I may also include them in the posting)? I neglected to ask for those previously.

Have a good weekend.

Thanks and best regards,
Valerie

Dear Valerie:

Please find attached the 2 posters from the Minnesota conference previously presented in Hannover.

By the way, can you forward me the files with abstracts and posters from the same conference:

1. Roethig, H.J.; von Holt, K.; Kuhl, P.; McKinney, W.; Zhang, M.; Walk, R.-A., Biomarkers of potential harm in smokers
2. Kinser, R.D.; Oey, J., Examples of systemic validation for biomarkers of cigarette smoke exposure

Best regards,
Barbara

Dear Barbara:

I am trying to get all of the WSA/INBIFO posters from the Minnesota conference posted to the WSA shared folder. I have all but the 2 INBIFO posters that had been previously presented in Hannover (Dr. Schepers sent a pdf of his final poster). Can you forward me the other 2 files for posting?

Thanks and kind regards,
Valerie
